The point raised by the T.O. is not a very important one. The appointment of State Huzur T.O. was of higher status and great importance in the past than now and the designation of "Kha Bhakshi is no longer in vogue The State Huzur T.O. is one of several T.O's and his rank as fixed in the Civil Service Order is one that of an Asst Commr. It is immaterial whether his Commrs regarding political pensions are Subd. Direct to Govt or thro' the Comptr There is no harm in following the latter Course as prescribed by the Comptr, more especially as such an arrangement will only be a temporary one. When the question of the abolition of the Treasury is settled the duties of the T.O. regarding political pensions will be assigned to some other officer if it is decided to abolish it

Duality of control should always be avoided as far as possible & as there can be no harm in making the Khazana Bakshi subordinate to the Comptroller, such duality need not be continued in this case. Confusion & misapprehension may result if the Huzoor Treasury officer is subordinate to the Comptroller in one capacity & independent of him in another.

If the question cannot wait till the time of final orders about the Burgess treasury, when it might be necessary to transfer the funds in question (depending on Pallegar pensions) to the Bangalore Dt Treasury, or other treasury, then the Comptroller's offer might be accepted, and he might be made the channel through which such communications should be submitted to the Burgess treasury officers to Govt. I may however note that there is not much in common between these political pensions and the civil pensions which the Comptroller deals with.

To,

K. S. Chandrasekhara Aiyar Esq
B.A. B.L.,
Secretary to the Government of
His Highness the Maharaja of
Mysore,
General and Revenue Departmen
Bangalore.

Sir,

I have the honor to submit herewith for the consideration of Government the marginally noted correspondence that has passed between me and the Comptroller regarding my functions as Khazana Bukshi in dealing with Polligars and their pensions and to state that for obvious reasons it would in every way be more advantageous that I should be allowed to approach Government

1. Heri Madkeri Naik's petition dated 8th September 1908 addressed to the Comptroller.
2. Khazana Bukshi's letter No 9 dated 17th October 1908 to the Comptroller.
3. Comptroller's Docket-No 2042 dated 29th instant. T.A.D.I. No 707
4. Khazana Bukshi's letter No 15 dated 29th October to the Comptroller.

Government direct rather than through the Comptroller.

The Mysore Pollegars were a class of petty rulers who lost their political power and importance during the Mahamadan rule and on the pacification of the Country after the fall of Seringapatam as it was deemed undesirable to restore to them their old Pollepat Lands, they were granted hereditary money pensions partly in lieu of Pollepat Lands and partly on Political grounds.

Such being the case they do not come under the purview of any of the Ordinary rules governing Service pensioners.

A perusal of the history of the origin and Continuance of these pensions will show that on general grounds of Policy, apart from other reasons, the Sovereign right of dealing with them should be exercised only by the Government of His Highness the Maharaja

other Officer.

The entire records relating to these Pollegars are in my sole custody and the Comptroller has no other means of knowledge beyond what I may have to say and consequently he cannot be in a position to offer any independent opinion or advise to Government

My having to approach Government through the Comptroller in matters relating to Pollegars while serving no useful purpose will only be a circuitous mode giving room for unnecessary delay.

Whether under these circumstances it may not be to advantage to allow me to address Government direct in these matters, I beg that Government may be pleased to decide.

I have the honor to be,
Sir
Your most obedient Servant,

Khazana Bukshi, State

Sir,

I have me honor ~~to~~ acknowledge receipt of your docket no. 2402 J.A.D. Dept. 7 dated 29th October 1908 and ~~to~~ invite your attention ~~to~~ Government Proceedings no. R 1579-1619 / L.R. 589-07-1 dated 7th September 1908 which, while placing the administration of this Treasury under the Comptroller and making the Treasury Officer subordinate to him, directs that "in all matters concerning the administration of the Treasury, the Officer in charge shall address the Comptroller &c" and ~~to~~ state that as dealing with Pollegars and their pensions does not form any part of the administration proper of the Treasury, I believe I am still at liberty, as heretofore to address the Government direct in such matters.

As already mentioned in my letter No 9 dated 17th October 1908, I deal with Pollegars and their pensions as "Khazana Bukshi" and not as "Officer in Charge of the State Huzur Treasury". That my legitimate functions as Khazana Bakshi are quite distinct may be seen by a reference to clauses (1) and (4) of para 3 of Government Proceedings No $\frac{13663-1}{752}$ dated 29th February 1892 and paras 5 & 6 of Government Proceedings No $\frac{11991}{32595}$ dated 21st January 1894 wherein my duties as Treasury Officer, as Deputy Superintendent of Stamps and as Khazana Bakshi were all separately defined.

The Special appointment of a clerk styled "Pollegar Gumasta" has also been sanctioned to help me in my Pollegar work.

A "To" and "From" Register and Tappal book are also maintained separate from the State Huzur Treasury.

There are many other Government orders relating to Pollegars which have all been addressed to the "Khazana Bakshi State Huzur Treasury" thereby

recognizing the Khazana Bakshi as a separate entity, apart from the Officer in charge of the State Huzur Treasury

The Pensions to Mysore Pollegars were granted under very peculiar circumstances and it is only the Government that has the right to deal with them.

That it is still the intention of Government to Continue unaltered the existing practice with regard to Pollegars and their pensions I presume from the fact that Government have subsequent to the Government Proceedings quoted above addressed me direct in the matter of a petition received from one Jampanna Naik of the Chitaldroog Pollegar Family. To this, I submitted my opinion also direct to Government.

But however as the matter still appears involved in doubt I am requesting Government to favour me with definite instructions.

I have the honor to be

Your most obedient Servant
